

Effective July 1, 2014, employees and their dependents who participate in the Health Reimbursement Account (HRA) medical plan option will no longer pay a \$50.00 co-pay for non-preventative services at Med Point.

The fee will also be removed from non-preventative services at participating Walgreen retail locations when eligible services are received.

This change does not affect the No-Show fee at Med Point.\*

*\*An appointment must be cancelled **prior** to 7am on the day of the appointment; or the employee will be charged a \$25.00 fee through payroll deduction.*
